## Boarding Information

Tiny Tails offers kennel free boarding in a daycare setting for dogs 40 lbs and under or below knee high. Boarding dogs spend their days playing and mingling with daycare dogs and other boarders. With over 4500 sq. ft. of combined indoor and outdoor space there is plenty of room to find a quiet place to relax if that is what your dog prefers. For the overnight your dog will be allowed to remain free. Dogs are separated into groups that get along well together, or into an area alone if that is best for them. Crates are also on hand for dogs who may prefer or need them.

It is **highly recommended** that you bring your dog for at least one day of daycare prior to their boarding stay. This gives your dog time to become comfortable with us and the place they will be spending their nights while you are away. If your dog suffers from anxiety in new situations you should plan on sending them for a few days of daycare to help them adjust before your trip. On the day they begin their stay you should plan to drop them off as early in the day as possible. This will give them time to get comfortable and burn off some energy so they will sleep better that first night.

Food is supplied at no extra cost, but you are welcome to bring your own if you choose. **Raw meat will not be given**, as it can harbor harmful bacteria and make your dog very sick! Beds and blankets are also supplied, but you can bring your own if you think it will give your dog some comfort. Please do not bring toys or treats (unless your dog is on a special diet). We have plenty of both.

**Proof of vaccinations** is required. Your dog should be vaccinated for rabies, DAPP (distemper, parvo, parainfluenza) and Bordetella (kennel cough).

**HOURS: Mon thru Fri – 6:30am-6:30pm Sat & Sun – 7:30am-noon and 4-7pm**

**Monday – Thursday \$39 per day Friday - Sunday \$50 per day**

**3-day Weekend - \$140**

Pick up your dog **before noon** to avoid additional charges on their last day.

-**Dogs** picked up after 12 noon will be charged for a half day of daycare \$20.00, and \$15 for each additional dog.

**Please book as far ahead as possible!** Max capacity is about 15 dogs. If by late Wednesday of any given week there are no boarders booked nobody will be scheduled to work for that weekend so we may not be able to book a last-minute stay.
